

RENTABLE RESOURCES

If you want to take your mind off the food and fun coordination for your Block Party, you can easily bring in vendors who can help you out! Here are some local vendors for food, bounce houses, and more that we recommend, so you can focus more on connecting with your neighbors!

THINGS TO KEEP IN MIND

- If you decide to work with a food truck, try talking to them first, before booking. Oftentimes they will give discounts if there is a certain amount being purchased, or you can work out special pricing. Others have a minimum sales amount they require, so it's good to call around to the ones you're interested in and make sure it's a good fit.
- Food trucks are popular, especially around holidays! Start booking early to make sure you get the one(s) you want.
- Check with your HOA about the specific rules in your neighborhood before booking a food truck/ bounce house.
- For bounce houses and inflatables, make sure to ask about liability, as well as how they plan to stake down the inflatables.
- Make sure to have a back-up plan in case of weather or other events.
