As a resident or intern in this department, you will learn how your skills can best resource and support the ministries of the church through communication, organization, problem-solving, and simply hard work!

Groups at The Bridge are the best way we know how to make a big church feel small—but a lot goes into making Groups a place where life-change can truly happen! As a resident or intern in Groups, you will have the opportunity to come alongside the Groups staff and leaders at each campus to develop, empower, encourage, and support leaders in this ministry, while working behind-the-scenes to provide resources, communication, and care.

PRODUCTION

Thousands of people gather every week to attend Worship Gatherings at The Bridge, and they wouldn't happen without the hands that make light, sound, and picture work! As a resident or intern, you will come alongside the Production staff to accomplish a distraction-free excellence in all of our Bridge experiences, and you will have the opportunity to invest in volunteers and build a team that loves to give of their talents to the advancement of the Kingdom!

CREATIVE

Every mailer, handout, video, and social media post comes from somewhere—and that's our amazing Creative team at The Bridge! If you have a knack for marketing, videography, photography, web/graphic design, or social media, a residency or

internship in our Creative department is an excellent opportunity for you to utilize and develop your skills for the advancement of the Gospel!

CHURCH PLANTING

We want to see the Gospel take ground in our city and beyond, and The Bridge's vision is to plant ten Bridge campuses over the next ten years! WORSHIP/WORSHIP RESOURCES

If you have felt the impact of powerful, expressive worship gatherings and have a heart to see others step into meaningful worship and service, a residency or internship in the Worship department at The Bridge is an incredible opportunity for you. We have two different opportunities available in our Worship department for you to explore below:

WORSHIP

A Worship resident or intern is designed for those who aspire to lead worship in the local church, build and develop leaders in their ministry, and execute the vision of a weekend service. You will spend your week investing in leaders, recruiting volunteers, and casting vision for the team—all while having the opportunity to develop your skills as a worship leader!

WORSHIP RESOURCES

Opportunities as a Worship Resources resident or intern are for those who have a heart to resource the worship team throughout the week and participate in building an incredible team. You will come alongside the Worship staff and leaders to prepare for worship gatherings through preparing and organizing playback, songwriting, playing in the worship band—the opportunities are endless!

TESTIMONIES

“I loved the Residency program because of the way it prepared me for ministry. You have the opportunity to be under such incredible leadership and learn the full

spectrum. God grew me in an incredible way through the program and I would recommend it to everyone with an interest in working in ministry!”

Brian Gangwish, Worship Resident 2017-2018

“I have absolutely loved the residency program so far. It has been an incredible learning opportunity far beyond the practicalities of ministry. Working at The Bridge and with this staff, they push me to grow each day both in ministry and leadership. Not to mention it is a ton of fun! I would absolutely recommend this to anyone even thinking God might call them to ministry!”

Hannah Beadle, Bridge Kids Resident 2018-2019

“For me the residency was more than just an opportunity to grow and learn about ministry; it quickly became a season that felt a lot like home. The Bridge Church staff is filled with pacesetters and team members who feel more like brothers and sisters. Brothers and sisters who help you discover your calling, hold you accountable, and make you look forward to going to work each morning. I felt disciplined and learned how to lead.”

Jeremiah Wright, Bridge Students Resident 2017-2018
